

Crosswalk Removal Project Euclid Ave. (State Route 83) at Ralston St.

Notice of Public Comment Period

WHAT: Removal of a crosswalk on Euclid Ave. (SR-83)

WHERE: Intersection of Euclid Ave. and Ralston St.

WHEN: One or two days in early August

WHY: The City of Ontario's Safe Route to School Map calls for students to cross Euclid Ave. at Belmont St., which is a signalized intersection. There is a crossing guard at Euclid Ave. and Belmont St. during the times when students and parents use the crosswalk to access the school. The non-signalized crossing at Euclid Ave. and Ralston St. is not part of the map.

Members of the public are reminded to submit any comments and concerns by Friday, July 15.

Mail all comments to:
California Department of Transportation
Attn: Public Affairs
464 W. 4th St., 6th Floor
San Bernardino, CA 92401

Accommodations to the local community

? Maintenance crews will make every effort to minimize disruption to local traffic

Caltrans and the City of Ontario are working together to ensure the safety of students who cross Euclid Ave. to access Euclid Elementary School. This project notice and public comment period helps Caltrans and the City of Ontario receive all input from concerned members of the public regarding the scope of the project.

**Please call Caltrans Office of Public Affairs at (909) 383-6733 for additional information.
The Crosswalk Removal Project should be completed by early August 2005.**
